

sOlas

(safety of life at sea)

sOlas site

sOlas process

How does the site work?

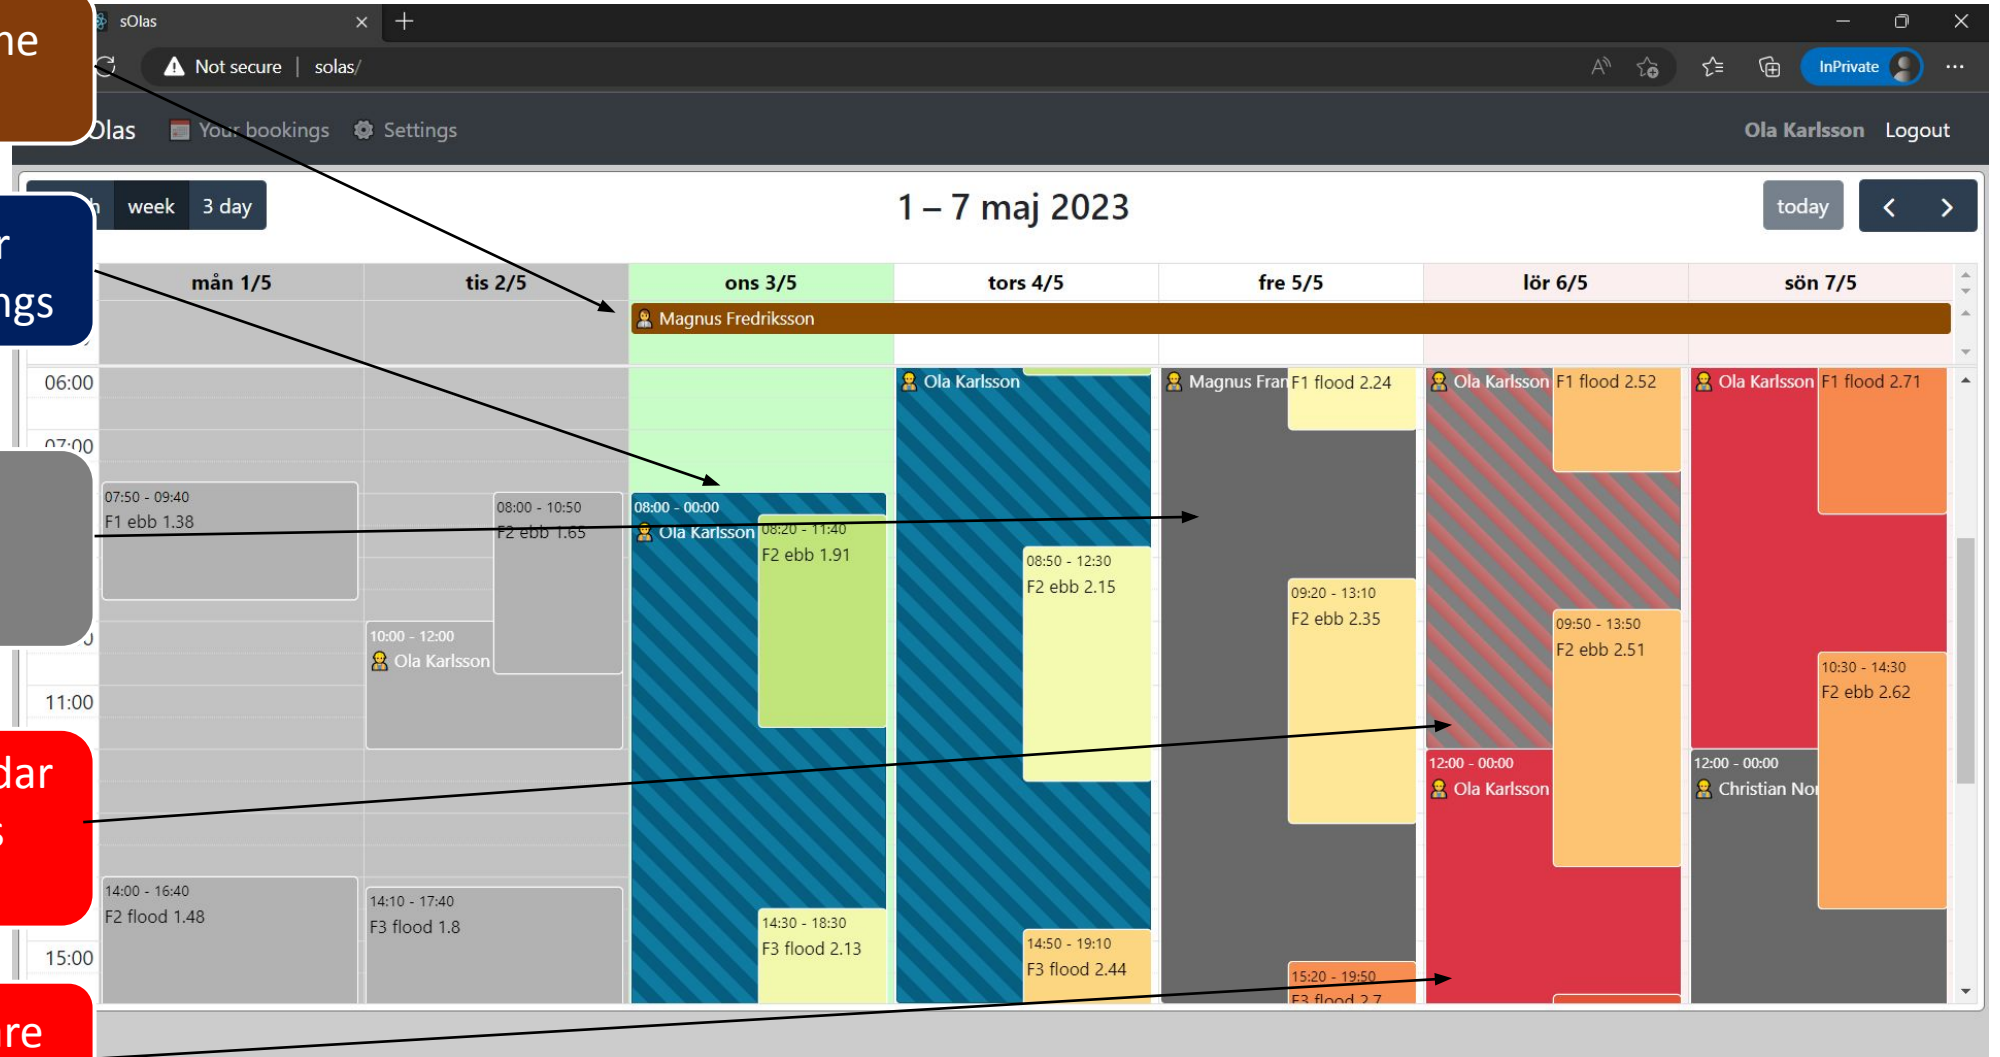

Brown boxes shows the manager scheduled

Blue ZigZag calendar events are your bookings

Dark-Grey calendar events are pending bookings for others

Grey-Red zigzag calendar events are bookings pending for you

Red calendar events are declined bookings

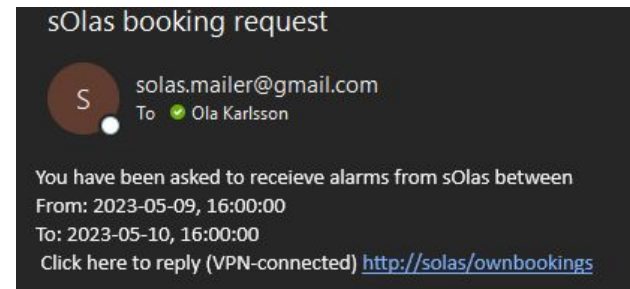

Booking process

Manager requests a booking

The dialog box titled "Book time for kiteoperator" contains two date-time pickers. The "From" picker is set to "2023-5-8 16:00" and the "To" picker is set to "2023-5-9 16:00". Below these are two dropdown menus: "Ola Karlsson" and "Engineer". There are checkboxes for "Has accepted" and "Add custom event". At the bottom are "Close" and "Add Booking" buttons.

Email with request
sent to engineer

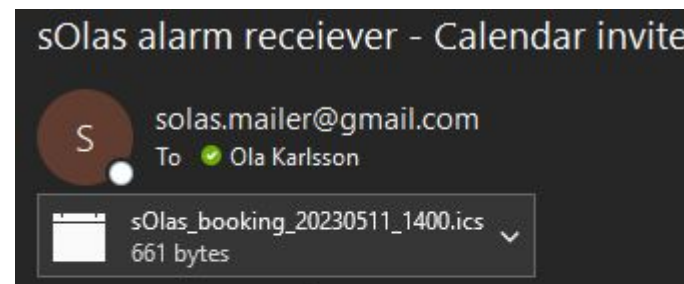

Accept/Decline your
booking

The interface shows a header with "sOlas", "Your bookings", "Settings", "Admin mode", "Ola Admin", and "Logout". Below is a table with columns: "Booking time", "From", "To", "As", and "Accepted".

Booking time	From	To	As	Accepted
Coming booking	2023-05-09 16:00:00	2023-05-10 16:00:00	Engineer	Pending
Past booking	2023-03-27 02:00:00	2023-03-28 02:00:00	Manager	Accepted
Past booking	2023-03-26 01:00:00	2023-03-27 02:00:00	Manager	Accepted

If accepted
Calendar invite sent to email

The dialog box titled "Edit booking" has "From" and "To" date-time pickers set to "2023-5-9 16:00" and "2023-5-10 16:00" respectively. There is a dropdown menu showing "Ola Admin". At the bottom are "Close", "Decline Booking", and "Accept Booking" buttons.
